Space. Innovation. Danube.

For the first time in the Middle East, Ritz Tower by Danube brings an innovative concept that enhances space utilization. A home that transforms as per your needs.

Ritz Tower offers a selection of 446 units of Studio, 1 and 2 bedroom fully furnished apartments. These apartments are fitted with modular furniture and a European technology convertible sofa, that transforms into a full size bed with just a gentle pull. Now you have a spacious living room by day and a comfortable additional bedroom at night.

If living at Ritz Tower is this comfortable, the location is even more convenient. Ritz Tower is located at Al Furjan - Dubai, next to Discovery Gardens; about 2 minutes away from the proposed metro line and just 10 minutes away from the Al Maktoum International Airport.
